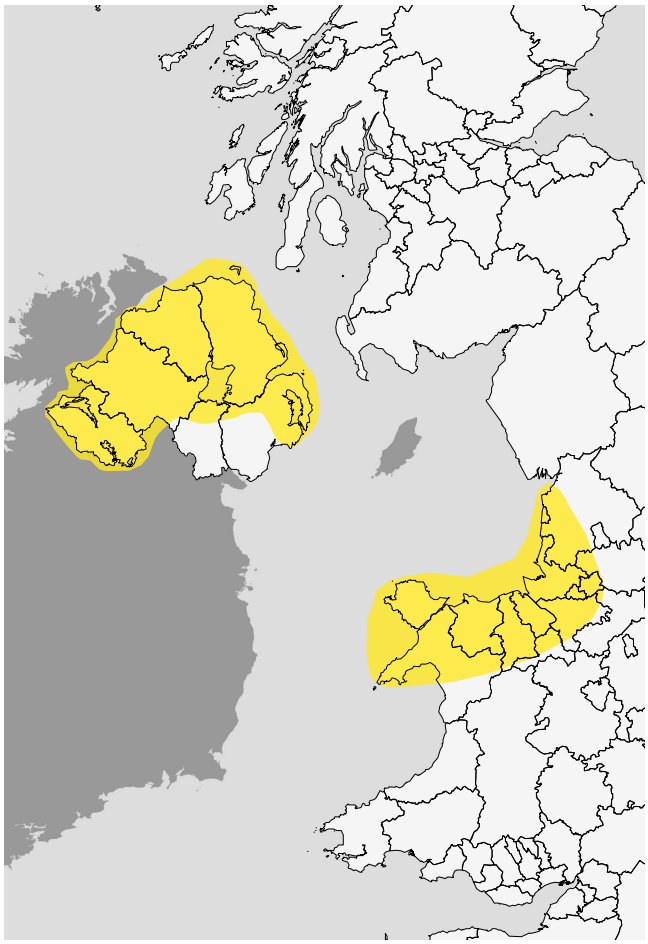
Yellow warning
Snow & Ice

Between
12:00 Mon 16 Jan 2023 and
12:00 Tue 17 Jan 2023



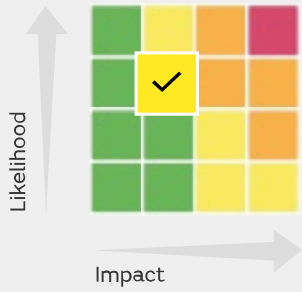
Snow showers and icy stretches may cause some disruption.

What to expect

- Some roads and railways likely to be affected with longer journey times by road, bus and train services
- Some injuries from slips and falls on icy surfaces
- Probably some icy patches on some untreated roads, pavements and cycle paths

Further details

Snow showers will become more frequent through Monday, continuing to feed in on northwesterly winds overnight. Accumulations of a couple of centimetres are possible at low levels, with higher ground expected to see 5-10 cm in places. In addition, icy stretches are likely to form following showers.



Medium likelihood of low impacts

Issued at 08:56 Mon 16 Jan, 2023
